Set on approx. 21 acres with stunning mountain and rural views this stunning large family home is something that is rarely seen and even less often sold! The large five-bedroom home is utterly stunning and beautifully designed with segregation between the master and spare rooms, three spacious loungerooms give this home the practicality and space for a large family to live without treading on each other's toes. The master suite of this amazing home is something rather special with a large bedroom, huge ensuite with double vanity and freestanding bath, separate toilet and walk in robe. The stunning kitchen is the centrepiece of this beautiful home, with beautiful stone benchtops and a fantastic butlers pantry with ample bench space and extra sink. The property is incredibly warm and is heated by a three-phase ducted split cycle system that heats the home with ease. The land has been well maintained with fertilizer and sprayed, recent additions to the property have been the fantastic horse arena, freshly excavated and sewn pasture paddock and re-fenced throughout the property. The property is serviced by ample water storage and septic system. Buelah is located approx. 15 minutes to Sheffield and 40 minutes to Devonport giving it a beautiful laid-back country feel yet only a short drive to town and city facilities. This stunning home is something that needs to be considered, for further information or to register your interest please contact the listing agent Kurt Knowles today!
