Sale by SET DATE® Closing Tuesday 14 May 5:00pm. If family stands at the centre of your world, then here's an immaculately presented single-level home that shares the same love and passion for family life, designed to offer the quintessential family lifestyle on four breathtaking hectares of land (approx.). With acres of green space for the kids to explore, it's the ultimate playground given the freedom they have to just be kids. And with fully-fenced paddocks, multiple stables, cattle yard, holding yard and a rounding yard, it's also ideal for those with a farming background or those seeking a new chapter on greener pastures. Living by grand proportions also extends to the home itself, which excels with its impressive size and scale, five large bedrooms, three excellent bathrooms, four living zones and magnificent scenic vistas from multiple vantage points. Featuring towering pitched ceilings, wood heating, sparkling family-sized kitchen with updated stainless steel appliances, full-length rear terrace and a double carport accessing a multi-car garage/machinery shed with feed bin and stable, there's also scope to redevelop on a very grand scale (STCA) in Melbourne's thriving north-east growth corridor. Close to transport, private schools, major arterials, recreational parklands, Laurimar Town Centre and Westfield Plenty Valley, it's the chance of a lifetime!
