Welcome to Tapestry. Your island home, in the city. Commanding a signature position in the heart of Chevron Island, minutes from the Gold Coast arts precinct HOTA, Tapestry will be a striking addition to the Surfers Paradise skyline. The regentrification of Chevron Island is unfolding - A new chapter defined by the emergence of contemporary apartments created to complement its eclectic village and waterfront setting. At its apex will be Tapestry, commanding views of the ocean, the city, the river, and the Hinterland. Imagine a home set above the world below, that reflects the rich tapestry of life's every mood. Inspiring yet casual, exciting yet relaxed. Embodying the art and lifestyle of this unique location, this 22 level address presents an inspired collection of spacious two and three-bedroom designer apartments and unrivalled lifestyle amenities. Reminiscent of the famous hotel rooftops of the world, The Roof Terrace at Tapestry is a multi faceted retreat where you can enjoy your own space. Whether it's a peaceful swim in the resort pool, relaxing on the day bed deck or sunken lounge area, some quiet reflection time on the lawn terrace or tending to the vegetable garden, there's a space for everyone to enjoy in total privacy. Whether it's passive or active time, you're sure to find your escape on the Tapestry Roof Terrace. When it's time to rejuvenate the body, Tapestry's own roof level gymnasium is your private wellness space, fully equipped with the latest fitness stations and cardio training apparatus plus sauna and steam room. At Tapestry, the smart utilisation of open plan design, full height glass and natural light pathways has resulted in spacious, view focused living environments that capture the sea breezes. Living / dining areas open onto spacious curved balconies creating a coastal alfresco style living environment. With large format porcelain floor and wall tiles, oak timber flooring and an array of modern fixtures and finishes, the living spaces of the apartments deliver the perfect relaxed coastal mood, where every day feels like a holiday at home. \*Photographs and outlines are for presentation purposes only and are indicative only.
