Presented by Sam Neill and Renee Jones of One Agency Elite Property Group Beautifully equipped for family life or indulgent executive retreat, this low-maintenance townhouse boasts all the contemporary trappings in a peaceful yet central locale. Immediately accessible upon entry, the fourth bedroom offers versatile scope for guest accommodation or home office space – while the open-plan main living zone extends elegantly to the rear, flaunting floorboards and crisp colour schemes, loads of natural light, and flowing extension to the entertainers' courtyard and compact lawn. The kitchen is both eye-catching and supremely functional with its stone benchtops and breakfast island, 900mm gas range and stainless dishwasher. Flooded with morning sunshine, the classically proportioned master bedroom is appointed with a walk-through robe and private ensuite; two additional upstairs beds are served by the modern main bath featuring a shower plus separate tub. Complete with ducted air throughout, a handy guest toilet in the laundry, gas hot water and drive-through garaging to accommodate two cars, this quality home is designed to flex and grow with your changing needs – as is the address itself, catering to all markets minutes from local high schools, Regal Heights shops and cafes, transport links and every Albion Park amenity.
