A fully renovated apartment in an ultra-convenient position, close to Frankston Beach and Frankston CBD / Bayside Shopping Complex. This investment opportunity comes with plenty of upside and opportunity for future growth whilst maintaining a healthy rental yield along the way. Offering simply unrivalled value for money, this unit features 2 bedrooms, open plan living / dining area, kitchenette, generously sized bathroom with bath & shower, white goods included, allocated car space and off-street parking. The apartment complex is located within walking distance to everything you desire with Frankston beach, Kananook Creek boardwalk, public transport, many major retailers and specialty shops, cafes, restaurants and entertainment venues all a short stroll away. This type of investment opportunity with the inclusion of white goods is often searched for by investors yet seldom found!
