They wanted it, they dreamed it, they planned, they saved and they built it!! If you want it all, come right in and check this out. The kids can walk to school, work or rail station and for commuters this is a dream location. The 3 bedroom home has been fully renovated though retains that homely feel. The large block of 940m² is utilised beautifully with extra parking space, 80m² colorbond shed, solar heated pool, enclosed backyard, large outdoor entertaining area & store room. Vehicle access is also available from the side laneway. Luxuries like ducted air-conditioning, ducted heating and much more are included in the home.
