Opposite beautiful parklands and set amongst expansive outdoor areas of its own, this glorious single-level entertainer will pique the interest of families looking for resort-style living ready for the summer. Boasting stunning interiors warmed by glossy timber floors, the floorplan flows past a fully-equipped theatre room to a sensational open plan living zone that sets a fabulous scene for grand-scale get togethers alongside the gourmet kitchen. Flaunting stone benchtops and quality European appliances, there is also a brilliant walk-in pantry plus a waterfall island bench with eye-catching feature lighting. The gardens raise the bar even further with a huge alfresco patio looking out to an even more impressive self-cleaning swimming pool/spa and the stylishly landscaped gardens. Parents are afforded the luxury of a spacious master with substantial wardrobing and an ensuite bathroom, whilst tucked in a zone of their own along with the sparkling family bathroom & separate WC, are three further bedrooms all with fitted wardrobes. A host of features include large laundry opening to the yard, double auto garage with secure internal entry, CCTV security system, solar panels, speaker system plus a water tank are also provided along with the year-round comfort of ducted heating/cooling throughout. In the exclusive University Hill estate, this executive family package is located within moments of RMIT and Parade College as well as Uni Hill Shops, transport options and the ring road.
