Built on an impressive 760m² approximate block; and then immaculately maintained by the same loving family for almost three decades, this ultra-grand single-storey home presents immediate comfort within just minutes from iconic Keilor Road. Beyond its landscaped front garden and period-inspired façade draped in iron lacework, the extremely spacious interior is complemented by decorative ceilings, yellow gold accents, luminous leadlight windows and a mantled open fireplace. The formal lounge flows to a separate dining domain, as the north facing, light-filled family/meals zone adjoins a pristine timber kitchen. Well-appointed in contemporary stainless-steel appliances including dishwasher, abundant cabinetry, deep walk-in pantry and breakfast bar. Meanwhile, the manicured and pet-friendly backyard stars a citrus tree and convenient pedestrian right of way. There is also a remote-controlled three car garage with a concealed fully-equipped kitchen and powder room. Back inside, the sizeable office/study makes working from home a total breeze; and the sparkling central bathroom/toilet services double-sized robed bedrooms. The master enjoys a complementary ensuite and walk-in-robe. Further extras include three-phase ducted heating, refrigerated cooling, internal laundry, ample hallway storage, powdered under-house storage, alarm and lengthy driveway off-street-parking. Enviably placed to encourage lifestyle ease, it's just moments to elite schools, vibrant dining/retail, CBD trams, sporting facilities and the lush environs of the Maribyrnong River Trail.
