Great opportunity with this one bedroom apartment in the heart of one of Australia's most liveable cities. Located on the 12th floor of this high quality secure apartment group with a large balcony where you can entertain with friends and enjoy the sweeping views over the city, hills and to the coast. The apartment is deceptively bigger than it may appear, and features a good sized living and dining area, modern well equipped kitchen with dishwasher, main bedroom with built-in robe, separate bathroom with laundry facilities, and reverse cycle ducted air-conditioning. NBN is available along with bike racks and locker space. For the savvy investor the apartment is currently tenanted until April 2025 and is returning \$430 a week. It is in a position very popular with young city workers or international students. South Australia university campuses are walking distance, as is transport, the famous Central Market, Chinatown, Rundle Mall, the River Torrens Entertainment Precinct, plenty of cafes, restaurants and shopping. This part of Adelaide is well known for its arts and cultural attractions. Very affordable investment, suit first home buyers or keep it as a city base.
