Experience the epitome of luxury living in this 12th-floor apartment boasting 2 bedrooms, 2 bathrooms, European laundry, lockup storage room, and a designated parking bay. Situated in the heart of Perth's bustling city centre while also being a riverside residence in one of the most sought-after cities of the world, the Towers at Elizabeth Quay ensures a lavish and modern living environment in the ultimate apartment lifestyle location. The open-plan living space showcases a floor-to-ceiling glass facade, effortlessly linking you to a stunning easterly vista of the Swan River and city foreshore. The distinctive lift and tilt automated window allows you to enjoy indoor/outdoor living while soaking in the stunning surroundings. Experience the convenience of the modern kitchen, featuring an island and integrated appliances tailored to meet the demands of contemporary living. Revel in opulence and convenience with building facilities crafted to enhance your lifestyle including a concierge service. Enjoy a range of amenities within the building, including a heated swimming pool, BBQ areas, a gymnasium, and a residents' lounge equipped with cooking facilities. The lifestyle around The Towers is enriched by the immediate surroundings. Residents can explore diverse dining options, an oyster bar, and a microbrewery. The vibrant Elizabeth Quay precinct is Perth's Premier Waterfront Entertainment Precinct with a mix of eateries, bars, the Perth Concert Hall, and recreational spaces, providing a perfect blend of life and leisure. The Perth CBD, Supreme Court Gardens and the river foreshore are a short stroll away. For further afield the Elizabeth Quay Train Station is conveniently situated just across the road or opt for the free CAT bus. The blue CAT operates in a north-south direction between Barrack Street Jetty and Northbridge throughout the week. For a more picturesque trip enjoy regular ferry services between Elizabeth Quay Jetty and Mends Street Jetty (South Perth) all week. The inlet also features short stay boat moorings for public use. We hope this guide has given you a general sense of the area and facilities. Details of apartment 1211 are correct, e.g. number of bedrooms, but particulars of the dynamic Elizabeth Quay area and The Towers itself constantly change and if considered material must be confirmed by your independent enquiry.
