A unique offering just over 100 acres, an unbeatable rural escape, and yet still close enough for all the conveniences of the suburbs. The acreage itself is robust & uncleared, with areas not so heavily thicketed for you to capitalise on, to perhaps build a weekender or permanent residence and simply get away from it all - subject to council of course! It's easy to say that you'll love exploring this place, with tree filtered views of the Hunter Valley, or simply just sit back, take a deep breath & take it all in... It's a rare offering & simply an opportunity you'd be mad to let pass you by... Proudly marketed by LJ Hooker Maitland, please call exclusive agents Todd Fisher 0438 592 920 or Kane Bradley 0423525335 - 7 days for all inspections & further information.* Access to site indicative only** Property boundary indicative only All information contained herein is gathered from sources we deem to be reliable.
