Inside a rather unassuming and modest building, step into a curated space that is sure to surprise & delight all your senses! With something unexpected and interesting to see in every corner! Bask in north-facing views of the city that you'll never get tired of looking at. The 12th floor position of Bijoux has you elevated enough to enjoy the wonderful CBD vistas to the North, which are best soaked in from the undercover balcony. The central living and dining is a long and relaxed everyday space that also incorporates the corner kitchen which is equipped for the chef in you! It's a truly interesting and spacious condo. This Pandora's Box is located at one of the most sought-after City Road addresses - so close to the best Southbank has to offer as well as being right on the cusp of the CBD. Enjoy close proximity to Crown Casino, Southbank Promenade, Metro and Asian supermarkets, Boyd Community Hub, Clarendon Street with an array of shops and eateries, South Melbourne Market, Melbourne's Arts and Cultural Precinct, trams to the city, and Southern Cross Station.
