\$399,000

This low-set Queenslander is in a great position, zoned low-medium density residential, meaning it can be used as a commercial property or as a home. There are 2 bedrooms, 1 bathroom and wooden floors in the main house, plus a rear patio & solar. The home does need TLC but the roof is only 7 years old, and the bathroom 5 years old. Enquire today. Building Inspection report available. The property is being SOLD AS IS.
