It is not difficult to work out the benefits of a tenant paying off your house for you. Be smart with your money. Invest in real estate. If you're a first time investor or have been doing it for years, this property presents a great opportunity to get set in the rental market. There is a tenant in place paying \$230 per week rent which means no downtime, no looking for a tenant, just rent payments from day one of ownership. Features include 3 bedrooms, separate lounge & dining rooms, split system air conditioner for heating & cooling and a second toilet outside. There is also good access to the yard with rear lane access. Call Sterling Turner 0429 619 478.
