\$697,000

Positioned in a highly sort after pocket of Arnolds Creek, within short distance to Arnolds Creek Primary, St Francis College, shopping complexes, sporting grounds, public transport and walking tracks only a stone's throw away, this location is second to none. Showcasing impeccable street appeal, finished with manicured gardens, wide driveway, and a modern façade. Upon entry you are greeted by a wide hallway and soaring ceilings, welcoming you into the home. Situated at the front of the home sits the huge master bedroom offering a gorgeous light filled ensuite that features a double vanity nestled upon stone bench tops and an oversized tiled base shower. Further to this there is a large walk-in robe with direct access to the second bedroom making this the ideal nurse/room for young children. The remaining three bedrooms are all oversized and feature built in robes and are serviced by a beautiful central bathroom that continues with the same features as the ensuite. The well-appointed kitchen is complemented by the upgraded lighting and features quality cabinetry, 900mm oven appliances, optimal cupboard space, 40mm stone benchtops and walk in pantry. This stunning kitchen seamlessly incorporates both the family and meals areas for optimal entertaining. An expansive back lounge area creates a great space for a home cinema room or recreational room. Whether you're needing additional space to host family and friends or a backyard for the kids to enjoy this versatile space has all options covered. Rear access via the garage makes this area easily accessible for motorbikes and garden accessories while the undercover alfresco area enables the use of this area all year round. Additional features include ducted heating, split system, security alarm, downlights, high ceilings, double car garage with internal access and drive through access from the garage for small trailers & bikes and so much more! Don't pass at an opportunity to secure this unique family home, call Monty Tyagi on 0435 896 907 make your enquiry.
