\$1,475,000 - \$1,600,000

Tastefully renovated and peacefully nestled into attractive parkland, this immaculate, five bedroom family residence has been meticulously crafted with a rare attention to detail, a love of natural light and easy connection to its superbly landscaped, 756 square metre (approx.) garden allotment. Offered for the first time in over 40 years by its original owners and zoned for the highly regarded Doncaster East Secondary College, this is a sweeping family classic with a wonderfully flexible floor plan to accommodate the largest of families, multi-generational families and those with independent home office requirements. Organised under striking vaulted ceilings, a contemporary kitchen / meals steps down to a living area that swells with natural light whilst a separate dining room and large lounge are more ambient spaces that highlight rich Cedar surfaces and a natural brick gas log fireplace. Importantly, the fifth bedroom also offers wonderful scope as a rumpus room, sunroom or a home office that is independently accessed, while also offering ease of access to an alfresco deck and paved outdoor entertaining. The main bedroom is particularly well proportioned with huge walk-in robes and semi-ensuite access to one of the home's two bathrooms with separate powder room for guests, whilst each of the remaining bedrooms has been finished with built-in robes. Additional highlights of this warmly welcoming family dream home include a second renovated bathroom, double lock-up garage, ducted heating, reverse cycle air conditioning and new evaporative cooling as well as paved outdoor entertaining that overlooks the tranquility of neighbouring parkland. Surrounded by the open expanses of both the Landscape Drive Reserve and Millgate Park Estate with Millgate Primary School also comfortably walkable this is a peaceful, open and airy setting ideally suited to family life, with The Pines Shopping Centre just a few moments away and plenty of local buses nearby as well.
