Approximately 430 acres in the highly productive Drung area, with a great mix of Wimmera soils. Fenced into 5 paddocks, this property's features include a 3 bedroom wetherboard home currently privately tenanted, 2 stand shearing shed and yards, machinery shed and GWM water connected. Situated just 4km from recreational Taylors Lake, close to all main Wimmera grain centres, this property lends itself to grow all types of crops and would be a great addition to existing portfolio or a fantastic starters block.
