Positive first impressions are assured with this home's striking façade and it only gets better after you enter. Prepare to be blown away by the contemporary and sophisticated interior highlighted by a superb kitchen with stone benches, glass splashback and quality stainless steel appliances that overlooks the dining, family and kids retreat or 2nd living area. All these areas intertwine with the huge alfresco area and rear yard creating an enormous indoor/outdoor living zone perfectly suited to those that love to entertain large groups of family and friends or for easy supervision of children. Sleeping quarters comprise four (4) extra oversized bedrooms with BIR'S, the master with fitted WIR and luxury ensuite. Other features include ducted heating, evaporative cooling, electric roller shutters, split system cooling, high ceilings, double remote garage with internal access, landscaped gardens and so much more. Inspection highly recommended to appreciate the detail and pristine condition of this lovely Metricon built residence. Buy with confidence knowing this much loved family home has been meticulously well cared for and presents like new.
