Welcome to "Milla Milla", Mullumbimby. Nestled on the outskirts of the charming township, just a short bike ride from the Farmer's Market and Showgrounds, this enchanting artist's retreat is a carefully crafted oasis spanning 34 acres. It features lush paddocks, a rejuvenated rainforest, and the Brunswick River flowing at the rear of the property. With endless living and lifestyle opportunities, this property is a true gem. The stunning old farmhouse has been meticulously renovated, complimenting the gorgeous original features throughout the home and showcasing a brand-new designer kitchen. Inside, discover a blend of old-world charm and contemporary comfort. A spacious conservatory flows into a separate lounge room, providing ample space for relaxation. The original part of the home has 3 bedrooms opening onto expansive verandas, while an additional extension features two bedrooms and the second bathroom, perfect for use as a master suite or for guests. With high ceilings, polished timber floors, elegant timber panelling, and French doors featured throughout the home, every corner exudes a timeless allure. Outside, extensive gardens, a separate studio, and an inviting inground saltwater pool await - your private sanctuary. This property caters to the discerning buyer seeking the perfect blend of town and country living. Property Features: - Charming 114-year-old timber home - Brand-new designer kitchen - Spacious conservatory and French doors throughout - High ceilings, timber panelling and polished timber floors - Wood fireplace for cosy winter nights and air conditioning for the summer months - One bedroom tenanted cabin - Guest cabin with extra income potential - Extensive gardens with an inground saltwater pool - Horse agistment income - 34 acres of land, offering endless possibilities.
