Merely metres from the foreshore and with views that span to the waters of Port Phillip Bay, this impressively sized, double story, 4 bedroom family-sized home is open and airy with a lavish north-facing alfresco flow to delight the proudest of home entertainers. Perfectly situated in a family-friendly pocket with a lifestyle enhanced by waterfront walks, regular swims, vibrant cafes and easy city access. • A granite-topped kitchen / dining / living fills with glorious northern light as it spills outdoors to the garden-surrounded joy of a paved courtyard that draws lashings of sunlight. • Upstairs, a second living room reveals bay views as it spills outdoors to its own terrace that is perfect for evening drinks as the sun goes down. • Each of the bedrooms is impressively sized with either walk-in or built-in robe storage. • A double lock-up garage offers the convenience of direct internal access to the main home. • Two family-sized bathrooms - downstairs with a separate wc and upstairs with a spa bath. • Hydronic heating and split system air conditioning offer year-round comfort. • Walk easily to the waterfront, Botanic Gardens, local cafes and Williamstown Railway Station, whilst all the shopping and action of Fergusson Street and Douglas Parade are also just a few minutes away.
