## New to Market

This tastefully presented brick veneer and tile home offers elegant and comfortable family living with ample space both indoors and outdoors. Recently painted throughout, the home features fresh carpeting in all three generously sized bedrooms, each equipped with built-in robes. The home features beautifully polished hard wood timber floors. Key Features, Living Areas: Front Lounge: Polished hardwood floors and a combustion fire create a warm inviting atmosphere. Family Room: Air-conditioned with high ceilings and abundant natural light, offering a spacious and open feel. Modern touches: Plantation shutters lift the living spaces along with other modern touches throughout the home. Additional Spaces: Large, covered timber deck perfect for outdoor entertaining. Kitchen: Centrally located with ample storage, cupboard space, and a convenient breakfast bar. The kitchen also looks over the second living or family room. Bathrooms: Two internal bathrooms, ideal for a modern family. Outdoor Features: Land: The large 1465 sq. m. block provides a blank canvas, offering plenty of room for a large shed or potential subdivision (subject to council approval). This property is a must-see.
