Standing out with its spectacular entertaining space and single level class, this exceptional three bedroom two bathroom brick town residence makes brilliant use of its orientation and oversized allotment. Beyond a feature vertical timber entrance, this sumptuous home reveals a skylit sitting area, a gorgeous main bedroom with walk through robe to a stone look ensuite, two north facing bedrooms with mirrored robes, a high end bathroom (separate toilet) and a fitted laundry. The stunning centrepiece of the home is the impressive open plan living and dining domain with its cathedral ceiling and state of the art two toned kitchen featuring leading Bosch appliances (five burner induction cooktop and two ovens) and a walk in pantry. Sliding stacker doors open to the north and the west, as an expansive pergola shaded deck sits over the open lawn and landscaped borders of the beautifully private rear garden. A home for all occasions, it's boosted with American Oak floors, superb window furnishings, high ceilings throughout, ducted reverse cycle air conditioning, Bosch security, a rainwater tank and an auto garage with driveway parking. On an elevated block, walk to your choice of East Bentleigh Primary School or St Bede's College, the open green spaces of Centenary Park and Moorleigh Reserve, your morning coffee at Humble Creatures café and the 701 bus to Bentleigh station.
