Nestled in the heart of Alexandra is this delightful older style family home that has been well maintained over the years. Offering 3 double bedrooms with built-in robes. Light and bright master bedroom with ensuite and external access. Spacious lounge with Coonara and new split system. Lovely undercover deck for those summer days. The home has been re-stumped, up to date electrical switchboard and has double insulation in the roof. A large solar panel system is in place to assist with rising power expenses. Outdoors is a large double shed, carport and woodshed with concrete floor. This well-located home is walking distance to everything and is positioned on a huge 990 sqm corner allotment with the potential to sub-divide. With a little cosmetic update, this home is a wonderful space to call home. Inspection By Appointment
