## **\$550 PW - 2 Storey Townhouse!**

This two bedroom home with small courtyard garden is ideally situated on the edge of Melbourne with transport links to the centre and further afield. The property boasts off street parking which comes in the form of your own private garage so plenty of space to stretch-out and enjoy. The living accommodation is located on the first floor above the garage and offers an open plan lounge kitchen with a built in dishwasher draw and oven. The kitchen itself offers ample storage space for all your cookware. The lounge leads onto a large balcony area ideal for entertaining in the summer months, the kitchen leads onto one bedroom and a second bedroom downstairs, both of which benefit from built in robes. This property needs to be inspected to appreciate what is on offer, we expect this one to be snapped up, so act quickly and make this your new home!
