Enjoy peaceful country living only 20 minutes from central Rockhampton in this two-storey, three-bedroom, two-bathroom brick home. Step inside the newly updated house and you'll notice how the tiled floors and high ceilings give it an instantly fresh and cool feeling. The light-filled kitchen is beautifully appointed, with a large island and sleek cabinetry. It extends to the open plan living and dining areas, which are air-conditioned for year-round comfort. An oversized internal laundry with built-in storage and additional hanging space has the ability to act as a handy mud room. Upstairs, two spacious bedrooms are complete with gorgeous timber floors, walk-in robes and access to the roof space for additional storage. The downstairs bedroom also includes a convenient built-in robe. This welcoming family home sits on a 1.5Ha block with a well-manicured garden, circular driveway and irrigation system. For convenience, there is also a double carport, garden shed and shaded back patio so you can enjoy the serenity of your country-style property. If you're looking for a beautiful home on a low-maintenance acreage, make sure you visit this gem of a property.
