Creating an instant impact with its gorgeous character features and surprisingly spacious light filled design, this freestanding residence is a charm filled haven that showcases all the personality of its original era. Buyers will truly appreciate the traditional proportions of this immaculate home along with its leafy outdoor areas that provide a tranquil retreat perfect for the entertainer. The property is ideal for buyers looking for a rare combination of period style, light, space and a premier location that offers easy access to Norton Street's cosmopolitan café scene, the Bay Run and light rail connections to the city. Full of light and charm featuring a user-friendly two-level design. A great layout includes generous lounge, living and dining areas. Mezzanine level library and observatory with elevated district views. An ultra-private backyard offers a tranquil escape from city life. Three double bedrooms include an upstairs main with extensive storage. Modern gas kitchen plus a full-sized family bathroom and extra WC. Many original features including fireplace, timber floors and high ceilings. A family-friendly location close to Leichhardt Park Aquatic Centre.
