Here is your opportunity to embrace a lifestyle that combines space, charm, and affordability. With 4 bedrooms, 3 with built-ins, a beautifully renovated 3 way bathroom that oozes new vogue character and an air conditioned living room with extra comforts of a new wood fire and an Epson projector that will see your family relaxing in comfort all year round. If you have been searching for a place to call home that offers room for you to grow and connect with nature, then look no further than this lovely property situated in the ever so popular area of Cundletown. Features:

- Newly laid carpet in all 4 bedrooms & freshly laid tiles throughout the living areas
- An updated and modified kitchen complete with new bench tops, sink and tapware that will be sure to see you cooking in comfort
- A large solar system together with 3 poly water tanks to help keep running costs at a minimum
- Freshly painted throughout with new window finishes & new ceiling fans also added

Enjoy the simplicity that the circular driveway offers together with side access to the block. There's no shortage of privacy and space here and this home is ready for you to stake your claim and make it what you want it to be for you and your family's needs. Large lots like this don't become available too often. Don't miss your opportunity!
