This corner allotment is beautifully positioned on the gateway to Harmers Haven and Cape Paterson. So many opportunities for a creative mind. A blank canvas to create your home with established trees along the western and northern boundary, provide immediate leafy aspect and beautiful outlook. This beautiful parcel lends itself to someone that wants to build their new home to optimize space or if you want a project, it would be a great place for living with future development potential (S.T.C.A) Well drained, titled and ready to go. Very rare offering.
