## **Imagine an oceanside lifestyle....**

Imagine a life of leisurely oceanside living, only metres from your front door. Gentle waves roll in as you look out across the sparkling blue sea. From time to time dolphins and whales can be seen gracing these waters.

Stroll along the oceanside path to the nearby sandy swimming beach, or climb along the rocks exploring and playing in rock pools. A short bike ride along the ocean path will bring you to play ground, skate park, park land and the much-loved local sea side cafe. Supermarket, school, and other essentials plus boutique shops are also nearby.

With future development plans for a marina towards the river mouth, property values in Burnett Heads are only on the rise, while this exclusive slice of the esplanade is set to remain the untouched and peaceful address it has always been.

A level ocean front block, ready to build upon and set amidst on trend properties - this is that once in a lifetime opportunity to own your personal piece of paradise. Dreamed of by many, but experienced by few - act quickly to secure your oceanside lifestyle today.
