Welcome to a realm of elegance and comfort, set in the serene, family friendly neighborhood of Thurgoona. A home that will allow your family life to blossom, and for entertainers to enjoy the outdoor ambience set on a generous 792m². The home boasts three generously sized bedrooms, each its own haven with the master suite offering a sense of luxury, complete with a stylish ensuite and a spacious walk-in robe that promises to make every morning feel like a boutique experience. The remaining bedrooms are equally impressive, featuring mirrored built-in robes with one oversized allowing for a desk or even a comfy lounge if needed. As you move through the home, you'll find yourself in a welcoming kitchen that would make any home chef green with envy. Equipped with a walk-in pantry, a large standalone cooker with a gas cooktop and electric underbench oven, dishwasher and a breakfast bar, this kitchen is the heart of the home. Overlooking a spacious family and dining area, this is sure to be a gathering point for all with further additions including built-in usb charging stations and lovely neutral tiled splashback. And let's not forget the formal front lounge that provides a further spacious area to sit and relax or spend the day with a good book. But, the true highlight of this home is undoubtedly the outdoor entertaining area. Imagine hosting soirées or intimate family gatherings here, complete with a combustion heater for those chilly evenings, quality cafe style blinds for added privacy and protection from the elements, ceiling fans for those warm summer nights, and a bar heater to keep everyone cozy. All of this is set against the backdrop of an immaculately landscaped garden adorned with a mesmerizing feature water fountain. Adding to the home's allure are modern conveniences including a full bathroom with a separate toilet, laundry complete with walk-in linen, long bench, and under-bench cupboards, double lock-up garage with remote access and side access provided to the rear yard. The home is also eco-conscious, featuring ducted evaporative cooling, ducted gas heating, and solar panels on the roof. And let's not forget the exquisite plantation shutters that grace the windows, adding a touch of timeless elegance to the home. Make this home yours today and enjoy being greeted with a world of luxury that reflects meticulous attention to detail and unparalleled craftsmanship.
