This stunning 4-bedroom home is a true gem in the heart of Botany. With a spacious layout and modern design, this property offers the perfect blend of comfort and style. The beautifully designed living room is ideal for entertaining guests. The bonus second living area creates the perfect family living. The kitchen features top-of-the-line appliances and ample counter space with super white granite stone benches. The bedrooms are generously sized, providing plenty of room for the whole family. One of the standout features of this property is the architecture and mosaic pool with the stone waterfall. The attention to detail and unique design elements truly set it apart. The property also includes an oversized garage with ample storage space and provides secure off-street parking for a second vehicle. Located in the heart of Botany, this property offers easy access to all the amenities the city has to offer. From shopping centers to restaurants, everything you need is just a short distance away. Plus, with quick access to major highways, commuting to work or surrounding areas is effortless. Contact us today to schedule a viewing and see for yourself the endless possibilities this property has to offer.
