A much loved home in a quiet tree lined street features 3 bedrooms, full bathroom and ensuite to the master bedroom, all with BIR. Recently painted inside and out - spotlessly clean and ready to move into. North facing open planned living and kitchen, and, retreat/sunroom also suitable for a home office. Beach and main shopping centre are at the end of the street. Easy access to freeway entrance and a 5 minute walk to the RSL. Only a short trip to the new Rosebud swimming centre, YAWA, local primary and secondary schools, and, childcare facilities. Spoilt for choice in outdoor spaces - a large undercover entertainment area, private courtyard, gardening in the raised garden beds, a generous secured yard, and, a shed/powerd workshop - all makes for a perfect home. The home is really easy maintenance meaning more time to enjoy a coastal lifestyle. A viewing highly recommended. Call now
