This St Andrews Estate stunner could be all yours

At just five years old, this Dixon Homes-built property presents an exciting opportunity to secure a modern family abode within the highly sought-after St Andrews Estate. Outside, you're treated to a sprawling 6,153sqm lot (just over 1.5 acres) while inside you'll find a generous layout and a host of stylish finishes that are certain to impress.

The single-storey floorplan feels bright and inviting with the heart of the home sure to be the open kitchen, dining and lounge room. Here, split system air-conditioning, brand new LED lighting and an abundance of natural light ensure year-round comfort whether you're unwinding at the end of the day or hosting guests.

There are four bedrooms and two bathrooms including your master with air-conditioning, a built-in robe and a luxe ensuite. Ceiling fans throughout, on-trend colour tones and security screens are on show or you can move outside to the expansive covered and insulated alfresco, with a gorgeous rural outlook, and there's even a 12x6m powered shed.
