This fully renovated home offers exceptional open plan living and entertaining, in the highly desirable Balwyn High School zone. Entering via an elevated, north facing terrace, a light infused interior accentuated by polished floorboards, fresh paint tones and plantation shutters projects immediate style and warmth, before discovering a formal lounge and deluxe master with walk-in robe and floor-to-ceiling tiled ensuite. Spacious family living/dining can be enjoyed at the heart of the home, overlooked by a showpiece kitchen with Smeg stainless steel appliances, integrated dishwasher and stone counter tops; including an island bench that doubles as a breakfast bar. Outdoor entertaining options are plentiful between the front and side covered terraces or rear alfresco deck surrounded by low maintenance gardens. The children will love their own sleeping quarters; with three robed bedrooms containing built-in robes, study desks and shelving, centred by a stunning bathroom with freestanding tub, separate toilet and storage-handy laundry. Studying or working from home will be an effortless task, courtesy of a designated study with two wall-to-wall built-in desks and overhead shelving. Rich in the little things that count, there is gas ducted heating and a feature fireplace, as well as ducted vacuum, split system air conditioning, under-house storage, carport that rolls through to a remote garage and plenty of gated driveway parking. *To register to inspect please click "Virtual Tour" or "Book Inspection" so we can keep you informed of inspection times and changes. *Photo ID may be required at open for inspections.
