Offering the complete package without compromise this four bedroom home with additional media room is perfect for the busy family who is looking for all the options but in a low maintenance property. Situated on a sizeable block, this home effortlessly accommodates a generously-sized pool, a flat and usable yard for children's play, and side access to accommodate additional off-street parking, all while minimizing the need for extensive lawn care and gardening. At the front of the house, the master bedroom boasts a spacious walk-in robe and a well-appointed ensuite. Just down the entry hallway, the kitchen with a walk-in pantry gracefully opens to the large family room and the open-plan dining area. The centrally-located media room provides limitless possibilities, serving as a children's playroom, a dedicated media room, or even a fifth bedroom. Expanding the living space, the lounge area seamlessly connects to the patio, providing access to the inground pool and additional patio areas. The expansive backyard easily accommodates a trampoline, a garden shed, and still leaves ample room for children to run and play. Additional space on either side of the house further enhances the property's versatility. Towards the rear of the house, three generously-sized bedrooms are accompanied by a separate bathroom, toilet, and convenient storage area adjacent to the spacious dedicated laundry. The double garage, currently utilized for a small home business operation, features built-in wardrobes and air conditioning. This outstanding property encompasses everything that discerning families desire, making it an ideal home for the modern family..
