Adelaide Property Network present this large 1950's home with the space that you could only dream of. As soon as you walk into this home, you are greeted with the very large and spacious formal lounge area which follows through into the open but separate formal dining area with Parquetry flooring. The kitchen offers space with cupboards and electric appliances, whilst boasting an adjacent store room/pantry. The front two bedrooms are large in size, with the main having built in robes whilst both being accommodated by the Main bathroom, with separate bath and shower. As you make your way through the hallway and down into the back two bedrooms, there is a separate room, which we would see the best use for being a children's retreat or study. The final two bedrooms are well sized, one boasting built in robes, with plenty of space to move, and are accompanied by the nifty ensuite. The backyard is where most of the play will happen, and it is grand in size, with large grassed areas and the rear veranda creating that extra space to entertain all year round. The home is perfectly located directly opposite to Ridley Reserve, which offers plenty of grass to play, and just further up the road is the Adelaide United Soccer Clubs training centre. Also located very close to Main North Road, the Elizabeth Shopping centre, Public Transport and Local Schools, there is everything you need at your doorstep.
