Located in the highly desirable suburb of Seacombe Heights, this entry home on a great size block is going to be suitable for first home buyers, investors and downsizers alike. Seacombe Heights is hugely sought after due to its proximity to everything - Westfield Shopping Centre is just down the road for all your shopping needs, Seaview High School is literally down the road and Stella Maris is also within walking distance, public transport is readily available with busses and trains nearby and the beautiful Brighton beach is a short drive - there is so much to love about this location! As you approach the home you will appreciate the fenced off front garden with electric gate, making it easy to access and providing great security. The lounge room is at the front of the north facing home, with an abundance of natural light spilling through. The two bedrooms are a great size with the master featuring a built in wardrobe. The kitchen has plenty of bench space and cupboard storage and there is a dining room adjacent. For year round comfort, reverse cycle air conditioning has been installed. The real treat here is as you head outside; sitting on 700sqm of land there is so much potential! The kids have so much space to run around on the large lawn area, and there is a large concrete driveway allowing drive-through access all the way from the huge carport to the back of the block. With all this on offer, make 128 Seacombe Road Seacombe Heights the top of the shopping list. Book your viewing today! For more information or to register your interest contact Pete Fallon (RLA325453)
