128 Webb Street is hot on the market! This property has an endless list of features. Starting outside, this property sits on a massive 1,619m2 block and boasts 2 garages, plus extra off street parking, sparkling inground pool, established irrigated low maintenance lawns, front veranda and a split level back yard to give you plenty of sections to enjoy and to fall in love with the view of Mount Isa! Downstairs features a granny flat, perfect to rent out or for the teenager of the house! 1 tiled bedroom with air split system air condition, ceiling fans and wardrobe. Separate dining/lounge area with loads of storage space, cozy fully equipped kitchen tucked away with electric cooking, double stainless steel sink and 2 split air conditioners – keeping the entire downstairs section cool during summer! Downstairs also has its own bathroom with internal laundry meaning no need for anyone to go upstairs! Upstairs features large open plan carpeted lounge room with air conditioning – don't forgot about the huge open windows letting in heaps of natural light plus the breath-taking views all whilst sitting in comfort of your home! The main kitchen features loads of cupboard space, both low and high, along with double stainless steel sinks, dishwasher, electric cooking plus combined dining area. Down the wide hallway find 3 generous sized carpeted bedrooms all with built ins and air conditioning. Family sized bathroom with shower, tub, solar hot water system and separate toilet.
