Bringing the whole family together across beautifully renovated interiors, this dual-storey design showcases a sensational floorplan that complements the sought-after Mornington Peninsula lifestyle. With the perfect harmony of space and light, and an inviting Scandinavian style, the four-bedroom plus study/nursery, 2.5-bathroom home offers city commuters the best of public transport and easy freeway access. Designed to accommodate the needs of growing families with dual living zones, a central Kinsman kitchen displays a hub of culinary flair with luxury stone benchtops, expansive breakfast bar, feature LED lighting, 900mm Westinghouse gas cooktop and pyrolytic wall oven. Merging with an open dining space, this central family domain comes complete with a Scandia wood fireplace, and rear terrace access. Elevated by a bespoke timber staircase, a private parents retreat with custom built-in robes awaits upstairs where treetop aspects embrace a rear balcony, renovated ensuite, adjoining nursery/home office. With premium carpet and ceiling fan, the remaining three bedrooms (one with ensuite) occupy a ground-floor position amongst a beautifully renovated bathroom with feature tub and full-height tiling, mudroom and laundry, and an internal storage room. Enhanced with the comforts of gas ducted heating, evaporative cooling, split-system air conditioning, plantation shutters, a secure rear yard, and double carport. Situated only a short walk from Frankston Nature Conservation Reserve and Ritchies IGA (Towerhill), within the zone for popular Derinya Primary school and a short drive from both Frankston High School and Mount Erin College.
