Offers Over \$650,000

Welcome to this private home, nestled amidst established gardens with a productive orchard and vegetable garden, multiple sheds and carports this home will suit anyone looking for privacy, a larger family home or even intergenerational living with the possibility of self contained opportunities. There is a large living area on the Northern side of the home, letting the sunlight stream into your living spaces all day, creating a warm and welcoming atmosphere. The large windows throughout the home allow natural light to flood in and provide gorgeous frames to the colourful garden outside. Enjoy year-round comfort with a combination of reverse cycle heating and floor heating. An updated and well appointed kitchen and open plan dining area opens onto the outdoor entertaining area and is spacious enough for the whole family. Three bedrooms and a central bathroom complete this part of the home with a second living area and fourth bedroom combined with another bathroom offering a range of possibilities. With a separate entrance and space for a kitchenette, this part of the home offers the versatility of self-contained living. Whether you're seeking a space for extended family, a home office, or a potential rental income, this property has you covered. This home boasts an expansive backyard, adorned with mature trees, fragrant flowers, and a thriving vegetable garden. Indulge your green thumb and cultivate fresh produce right at your fingertips and just wait until you see the outdoor entertaining area and secure backyard with the soothing sounds of the water feature. The nighttime lighting makes this area a magical place to be. Gather loved ones around a fire pit for cozy evenings under the stars or, unwind with a barbecue basking in the warmth of the sun while enjoying a refreshing beverage. There is even more to discover in this established garden but that is part of its magic that you need to see for yourself. Never run out of storage space again, both inside and out this property features an abundance of storage. The sheds are perfect for storing gardening tools, bicycles to use on the nearby coastal cycling track, kayaks and water toys, or even a home workshop. Additionally, two carports provide ample protection for your vehicles and there is plenty of space for a caravan and boat. Embrace eco-friendly living and reduce your energy bills with the convenience of 28 solar panels and arrive in style and security with a sealed driveway and solar gate opener. Enjoy the peace of mind knowing your property is safe and secure, while also adding a touch of convenience to your arrival home. This fantastic home offers a unique blend of privacy, functionality, and sustainability. Discover this home for yourself where you can connect with nature, embrace a relaxed lifestyle, and create lasting memories all within a short drive to the city centre. Come and experience the serenity and privacy of this remarkable property for yourself. *The information contained herein has been supplied to us by sources which are considered reliable and we have no reason to doubt its accuracy.
