A unique opportunity in 95% of the property has been renovated and just requiring those final touches to become complete. The solid brick home has had new flooring throughout, new kitchen, new bathroom and a year old ensuite installed, all the big tickets done. Comprising of open plan lounge and dining, split system air-conditioning, slow combustion wood fire and along with three bedrooms featuring built in robes and walk in robe to the master the home is very family friendly. The grounds include inground automatic watering system, powered shed with backyard access and secure fence around the entire property
