Nothing matters more than providing accommodation for your family! If you are looking to purchase today and require an affordable 4-bedroom home, then we would encourage an inspection of 129 Kariboe Street. The main house consists of 4 bedrooms, 1 bathroom, kitchen with dishwasher and large pantry plus generous sized lounge and dining rooms. To the left of the house, is a separate large rumpus room or granny flat which holds 2 queen sized beds and has its own bathroom, this zone is perfect for extended family, visitors or teens chasing their own space. There are 3 air-conditioners throughout. The backyard has established vegetable gardens and entertainment is made easy with the large undercover patio that is ideal for family gatherings. At the rear of the yard you will find a 9m X 6m Colorbond shed which makes for an excellent workshop and storage space. Solar panels are a bonus and much more that you'll find during an inspection. This home is unique in design and built to stand the test of time, if you are looking to upgrade your family to a bigger more functional space then contact Ross or Amanda at First National Biloela. Council Rates: \$1,408 per half year approx.
