A fantastic location is where you will find this beach property situated! The block has been surveyed in recent years and is larger than the standard size offering over 800 sqms of room for building. Located central to the town and still within walking distance to Lake Victoria and only a short drive from the famous 90 Mile Beach, this fairly level block offers tall fencing on both sides and wire fence at the rear, has trees scattered throughout the block and will be an easy investment to keep maintained with a quick mow during the year! If you are looking for a larger than normal block, then take a stroll on this!*****CShell Real Estate does not warrant, guarantee or make any representations regarding the currency, accuracy, correctness, reliability, usability or any other aspect, of the material presented on the CShell Real Estate Website and it is recommended that prospective purchasers and users of the website make their own enquiries and seek independent legal advice in relation to the subject property.
