This well-appointed property has been built with a great deal of thought for the benefit of the river lifestyle. The octagon shape alfresco area captures the view up and down the river and it's the perfect place to soak up the sun with a nice cup of coffee. With quality and class inside the open plan pulls the family together with the open kitchen, huge meals dining table and lounge, set in soft tones with the spirit of timber flowing throughout. It offers the potential of six bedrooms, a caravan and plenty of lawn area for the family to sprawl out. Modern kitchen, modern bathroom, double carport, and a double garage making it the ideal spot to park the jet ski and the speed boat. Car parking for 10 cars, absolute river front, only neighbours on one side and unobstructed views of the river. View this property and decide for yourself ...it's a rare gem!
