A rare opportunity to secure 1.97 hectares of clear land, only a few minutes from the beautiful coastal hamlet of Beachport. Within walking distance to the beach, but hidden in behind thick scrub on the Southern Ports Highway, this property has a wonderful rural feel. With bitumen access at the rear, off Muggleton Road, there's no need to get the car dirty. The block is currently fenced into three paddocks, with fencing all in excellent condition. Many of the boundaries are tree lined, offering both privacy and wind protection. A ridge running north/south through the property would be ideal for building your dream home upon. Being the closest clear block of this size to Beachport, it certainly won't last long. Get in quick to secure your dreams.
