This is certainly a different type of rental proposition, a two story home close to the cafe strip in East Victoria Park with its own street frontage. Living areas are downstairs and bedrooms are upstairs with a generous size main bedroom featuring walk in robe and ensuite, it's more like the East Wing rather than the main bedroom. Other features include: Double door mirrored robes in the minor bedrooms and walk in robe to the main bedroom. Two toilets upstairs and one toilet downstairs. Study nook upstairs at the top of the staircase. Ducted reverse cycle air conditioning upstairs. Split system air conditioning downstairs. Alarm system. Shopper's entrance into the home from the double garage. Remote controlled garage door. Gas point for heating. Spacious kitchen with gas hotplates, electric oven and built-in pantry. Dishwasher and fridge included. Downstairs living area fitted with Tasmanian Oak floorboards. All furniture items visible in the photos are included in the lease. Solar electricity panels for cheap electricity usage. ***Please register your interest in this property by creating an account with TenantApp or 2Apply, this way we can notify you of any home opens, time changes or viewing cancellations.
