Perfectly positioned in one of Keilor East's premier pockets, this stunning new home is set to exceed all expectations with its intelligent design elements, first-class features and meticulous attention to detail. Finished to the highest of standards, the sumptuous interior boasts alternate master bedrooms on each level (with its own fitted WIR and luxurious ensuite), as well as two additional bedrooms (BIRs), equally-opulent main bathroom with freestanding tub and guest powder room (fourth WC). Further highlighting its family credentials is a lounge/retreat (upstairs) and expansive open living/dining area serviced by a chef's kitchen complete with island breakfast bar, premium Bosch appliances and butler's pantry with second sink. Impressively high ceilings throughout, this architectural masterpiece also includes zoned ducted heating/refrigerated cooling, security system, engineered timber floors, large laundry and excellent storage options, as well as stone benchtops throughout and double-glazed windows all-round. Sliding doors seamlessly connect the living area and alfresco entertaining deck with pergola, plus a private back garden to enjoy, remote-control garage with internal entry and additional driveway parking. A short stroll to Buckley Street buses, Millera Shopping Centre and the open spaces of Rosehill Park, it's also close to a range of schools (including PEGS and St Bernard's College), as well as easy access to the Calder Freeway and Western Ring Road.
