Evolving the streetscape with its striking architectural form, this brand-new duplex constitutes luxury family living with high-end design and construction. The interiors are light-filled and spacious, with an open living zone inspiring family connections and seamless indoor-outdoor entertaining. Step inside to find an expansive living and dining area which flows off the well-appointed kitchen, integrating a large stone island bench, butler's pantry and abundant storage. Picture hosting dinner parties all year round in the undercover alfresco dining area with outdoor kitchen and built in barbecue, overlooking the sparkling in-ground swimming pool and level landscaped garden. The versatile floorplan offers a fifth bedroom downstairs complete with a large ensuite, perfect for in-laws, parents or guests. Internal access to the garage, storage space and a sizable laundry complete the lower level of the home. A powder room is also handily accessible from the outdoor living area. Finishes on the upper level are expertly composed and includes a living area with balcony, 4 bedrooms each boasting built-in wardrobes and a family bathroom featuring a free-standing bath. The stunning master bedroom is generously proportioned and enjoys a large walk-in wardrobe and ensuite. One for connoisseurs of contemporary design, this new home exudes style and space and is conveniently located just minutes away from schools, shops, Brighton Lakes Golf Club and the M5.
