Representing tremendous value with a new price, this spacious two bedroom unit, nestled in the popular over 50's Twin Palms complex, is just a short, flat stroll to the Wyrallah Road Shopping Village and St Vincent's Hospital is just around the corner. In a flood-free location at the rear of the complex, this neat and tidy brick unit has its own private, low-maintenance, rear courtyard, while the front porch provides a bright and sunlit spot to sit and enjoy the tranquil atmosphere. Air conditioning in the main living area ensures additional comfort all year round. Act quick as properties in this tightly held complex do not last long.
