This third-floor unit fully furnished with two bedrooms and an open plan living and dining area, there's plenty of space for relaxation and entertaining. The kitchen sounds well-equipped with a dishwasher, wall oven, and microwave, making meal prep a breeze. It's great that the property includes an internal laundry with a washing machine and dryer, as well as a bath and shower in the bathroom for added convenience. The separate toilet is a nice touch for privacy. The highlight seems to be the balcony with its lovely water views and the opportunity to observe wildlife in the park. What a serene spot to unwind and enjoy some fresh air! The proximity to Little Beach is a definite plus, offering easy access to swimming and picnicking with loved ones. And having a double lockup garage is fantastic for parking convenience and added security. It's good to know that water is included in the rent, and the policy of no pets or smoking inside or on the balcony helps maintain a clean and pleasant living environment for all residents.
